

# DATA LITERACY

(Internet) research on the research topic and research methods

## HELPDESK PUBLICATION

Advice on the forms of publication of research results of the dissertation

## HELPDESK

Investigation, classification and comparison of research objects with digital methods

## User Story 4

As a doctoral student in the field of art history, I do research on the subject of ruler portraits. I search the internet for information to complete and optimise my research. I will publish my doctorate digitally.
